GENERAL INFORMATION

ABOUT NCC

The National Cadet Corps (NCC) is the Indian military cadet corps with its Headquarters at New Delhi. It is open to school and college students on voluntary basis. National Cadet Corps is a Tri-Services Organization, comprising the Army, Navy and Air Force, engaged in grooming the youth of the country into disciplined and patriotic citizens. The National Cadet Corps in India is a voluntary organization which recruits cadets from high schools, colleges and Universities all over India. The Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps.

AIMS OF NCC

1. To Develop Character, Comradeship, Discipline, Leadership, Secular Outlook, Spirit of Adventure, and Ideals of Selfless Service amongst the Youth of the Country.
2. To Create a Human Resource of Organized, Trained and Motivated Youth, To Provide Leadership in all Walks of life and be Always Available for the Service of the Nation.
3. To Provide a Suitable Environment to Motivate the Youth to Take Up a Career in the Armed Forces.

MOTTO OF NCC : ‘Unity and Discipline’

The motto of NCC is “**Unity and Discipline**”. ‘Unity’ implies our basic oneness, the brotherhood of all the Indian people regardless of their caste, colour or creed. Likewise, ‘Discipline’ is the very bedrock on which any nation is founded. It is for these reasons that “Unity and Discipline” has been adopted as motto of the NCC.

CARDINALS OF NCC : 1) Work without fuss
2) Tell no lies
3) Obey with smile
4) Be punctual

HISTORY OF NCC

NCC was firstly started in 1666 in Germany. The NCC in India was formed with the National Cadet Corps Act of 1948. It was raised on 16 July 1948. The origin of NCC can be traced back to the 'University Corps', which was created under the Indian Defence Act 1917, with the object to make up the shortage of the Army. In 1920, when the Indian Territorial Act was passed, the 'University Corps' was replaced by the University Training Corps (UTC). The aim was to raise the status of the UTC and make it more attractive to the youth. The UTC Officers and cadets dressed like the army. It was a significant step towards the Indianisation of armed forces. It was rechristened in the form of UOTC so the National Cadet Corps can be considered as a successor of the University Officers Training Corps (UOTC) which was established by the British Government in 1942. During World War II, the UOTC never came up to the expectations set by the British. This led to the idea that some better schemes should be formed, which could train more young men in a better way, even during peace. A committee headed by Pandit H.N. Kunzru recommended a cadet organization to be established in schools and colleges at a national level. The National Cadet Corps Act was accepted by the Governor General and on 15 July 1948 the National Cadet Corps came into existence.

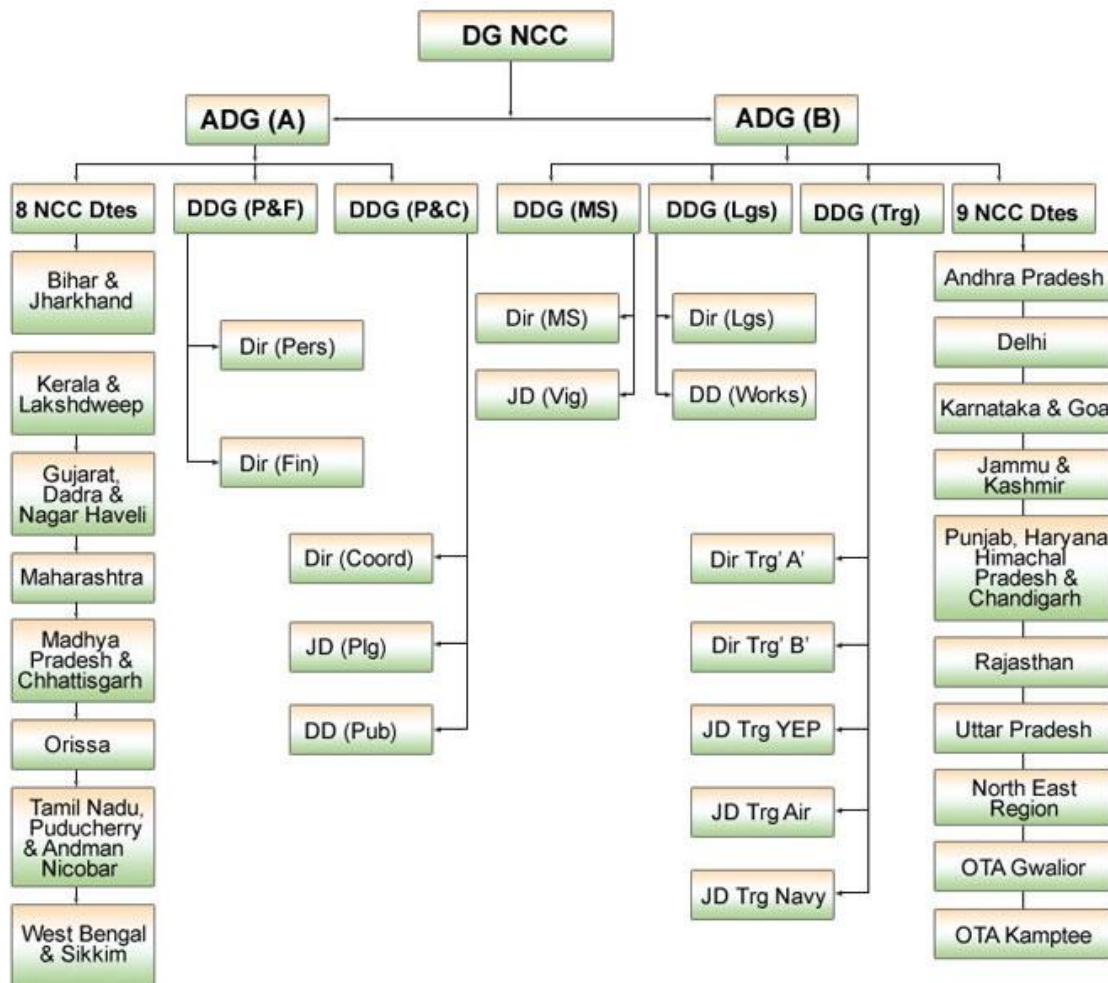

In 1949, the Girls Division was raised in order to give equal opportunities to school and college going girls. The NCC was given an inter-service image in 1950 when the Air Wing was added, followed by the Naval Wing in 1952. Same year, the NCC curriculum was extended to include community development/social service activities as a part of the NCC syllabus at the behest of Late Pandit Jawaharlal Nehru who took keen interest in the growth of the NCC. Following the 1962 Sino-Indian War, to meet the requirement of the Nation, the NCC training was made compulsory in 1963. In 1968, the Corps was again made voluntary. During Indo-Pakistani war of 1965 & Bangladesh-Pakistani war of 1971, NCC cadets were second line of defense. They organized camp to assist ordnance factories, supplying arms and ammunition to the front and also were used as patrol parties to capture enemy paratroopers. The NCC cadets also worked hand in hand with the Civil defense authorities and actively took part in rescue works and traffic control.

After 1965 and 1971 wars NCC syllabus was revised. Rather than just being second line of defense, NCC syllabus laid greater stress on developing quality of leadership and officer like qualities. The military training which the NCC cadets received was reduced and greater importance was given to other areas like social service and youth management.

NCC ORGANISATION

At the Headquarters level, this organization is headed by an officer of the rank of Lieutenant General. He is the Director General of the NCC. Two other officers of the rank of Major General, five Brigadier level officers and other civil officials assist him. The Headquarters is located in Delhi. There are 17 Directorates located in the state capitals headed by an officer of the rank of a Brigadier from the three Services. Depending upon the size of the state and growth of NCC in the states, Directorates have up to 14 Group Headquarters under them through which they exercise their command and control of the organisation in the state. Each group is headed by an officer of the rank of Colonel or equivalent known as Group Commander. Each NCC Group Headquarters control 5-7 units(Bns) commanded by Lt. Colonel/Major or equivalent. Each Battalion consists of companies which are commanded by the Associate NCC Officer(ANO) of the rank of lieutenant to major. In all there are 95 Group Headquarters in the country who exercise control over a network of 667 Army Wing Units(including technical and girls unit), 60 Naval Wing Units and 61 Air Squadrons. Apni Manzil Ek Hai,
Ha, Ha, Ha, Ek Hai,
Ho, Ho, Ho, Ek Hai.
Hum Sab Bharatiya Hain.
Kashmir Ki Dharti Rani Hai,
Sartaj Himalaya Hai,
Saadiyon Se Humne Isko Apne Khoon Se Pala Hai
Desh Ki Raksha Ki Khatir Hum Shamshir Utha Lenge,
Hum Shamshir Utha Lenge.
Bikhre Bikhre Taare Hain Hum Lekin Jhilmil Ek Hai,
Ha, Ha, Ha, Ek Hai
Hum Sab Bharatiya Hai.
Mandir Gurudwaare Bhi Hain Yahan
Aur Masjid Bhi Hai Yahan
Girija Ka Hai Ghadiyaal Kahin
Mullah ki Kahin Hai Ajaan
Ek Hee Apna Ram Hain, Ek hi Allah Taala Hai,
Ek Hee Allah Taala Hain, Raange Birange Deepak Hain Hum,

VARIOUS CAMPS OF NCC

Camp training constitutes the most important part of NCC training. Every cadet in the NCC is expected to attend at least two camps during one's tenure to complete the Training Syllabi. In Camps, the young cadets get the thrill and joy of outdoor and community living as they are made to live under canvas/camp conditions and also follow a rugged but interesting routine. Camps also help in developing camaraderie, team-work, leadership qualities, self-confidence, self-reliance and dignity of labour among cadets. This contributes greatly towards promoting national integration. The various camps conducted by the NCC are as follows:-

Annual Training Camps (ATC)

This Camp is conducted at battalion level to impart practical training in weapons, map reading, communications and firing. The emphasis is given on community living. Through these camps cadet get an opportunity to develop and expose their hidden qualities. Maximum number of cadets are included in these camps and cadets potential is identified for the forthcoming Thal Sainik Camp and Republic Day Camp.

National Integration Camps (NIC)

These camps are conducted on an all India basis and help bridge the cultural gap among various states of India. 37 such camps are conducted every year. Our country being vast is varied in culture, customs and traditions which is a matter of pride to all. To acquaint the cadets with such diversity, selected cadets from every directorate participate in these camps. Cadets get an opportunity to learn the culture and language of different states. In addition, we conduct NICs at remote and forward areas to promote national integration. Special NICs are being conducted regularly at Leh, Srinagar, North Eastern Region and at Port Blair.

Leadership Camps

These camps are conducted on an all India basis. There are four Advance Leadership Camps (ALC), one each for SD, JD, SD Naval Wing boys and SW Girls. Three Basic Leadership Camps are held, one each for SD boys, SW and JW Girls.

Rock Climbing Camps

Eight rock climbing camps are held each year to expose the cadets to the basics of rock climbing and to inculcate spirit of adventure. Four of these camps are held at Gwalior in MP and other four camps at Nayar Dam near Trivandrum in Kerala.

Thal Sainik Camps (TSC)

Every year 3 camps at battalion level, 3 camps at directorate (State) level and the final camp at National level in New Delhi are organized. Competitions in communications, Map Reading, Firing, Cross Country and Medical (First Aid) are conducted. The process of screening and filtering of cadets is done at each of the 3 camps at battalion level. The selected cadets participate in the inter-group competitions. Successful cadets again undergo the

procedure of screening and filtering at the national competitions. The points scored by the cadets at final competitions are counted for the award of the prestigious Prime Minister's Banner.

Republic Day Camp (RDC) and Prime Minister's (PM's) Rally

Republic Day Camp is a prestigious camp inaugurated by the Vice President of India and visited by Raksha Mantri, Raksha Rajya Mantri, Chief Minister of Delhi, the three Service Chiefs and other dignitaries. During the Camp, a Horse Show and three Cultural Programmes are held wherein important dignitaries are invited as Chief Guests. The camp culminates in the Prime Minister's Rally on 27 January every year which showcases all the activities of NCC. In addition, groups of NCC cadets meet the President of India and the Prime Minister over tea on separate days. The procedure for selecting the cadets for RDC is same as Thal Sainik Camp. The main focus in these camps is on drill, cultural presentation, general knowledge and adventure activities. The points scored in these camps are considered for the award of prestigious Prime Ministers Banner.

Army Attachment Camp

These camps are attached with regular army. The aim of these camps is to give field training to the cadets and the cadets acquaint them with army exercises.

Adventure Camps

These camps are organized to develop courage and leadership qualities among the cadets. These camps enable the cadets to develop decision making ability, learn the manner of struggle for existence and survival of the fittest. Some of the adventure camps are Mountainering, Scuba Diving, Treking, Para Ceiling etc.
