Academic Autonomy

Vivekanand College has ascended the ladders of success consistently all these years. Its academic achievements have been recognized by different higher education agencies. The next obvious step towards excellence was attaining Academic Autonomy. It is a matter of great reckoning and contentment for all of us that we are conferred with 'Autonomous status' by UGC from the academic year 2018-2019. Our strenuous efforts in imparting knowledge, updating skills, continuous assessment and building character among the youth have finally paid off with formal approval from UGC. Our management has taken decision to implement the academic autonomy at the first year level in the beginning. From year 2018-19, B.A., B.Com., B.Sc., self financing courses like B.B.A., B.C.A., B.Sc.Computer(Entire), B.Sc.Biotechnology(Entire), M.Sc. and M.Com. Part I will attain the status of autonomy and eventually, during the following years, the remaining classes will reach the same status.

The autonomous status has given us the freedom to frame the most relevant, contemporary needs –based and enriching curriculum, to assess the progress of students at different stages of teaching-learning process, to save the time in evaluation process and provide better opportunities in the job market. This will ensure that our students have an edge over others in the outside world. Overall development through a perfect blend of academics, co-curricular, and extra-curricular activities will help our students to build a confident position in the society and reach pinnacles of success.

Highlights of the programmes under Autonomy:

- ❖ Academic freedom in framing syllabi
- ❖ Choice Based Credit system
- ❖ Syllabus having contemporary relevance to the needs of society
- ❖ Academic flexibility with wide choice of subjects
- ❖ Preparation for careers in Civil Services, Private and Public sector, Banking, Finance, Media, Communication Marketing, Consultancy, Management, creation of new enterprise and academics.
- ❖ Continuous evaluation
- ❖ Semester system
- ❖ Interdisciplinary approach
- ❖ Enhanced Research Culture
